New Working Environment for Employees

This branch is our tribute to the City of Hackensack, our birth city. For the past 84 years, we called Hackensack home and the city embraced us as one of the true, born, and raised Financial Institution that served its citizens' financial needs **since 1937**. Generations of Hackensack families have utilized all our products and services to better their financial health.

I would like to express our continued gratitude and sincere thanks for all the support you have given us over these past 84 years. We look forward to a continued and prosperous relationship with our members for years to come.

If you have any questions, feel free to contact me at any time. We look forward to seeing you at our new location.

“This new working environment is conducive to collaborating with members, other professionals in our field, and community leaders. Greater Alliance Federal Credit Union is not just a bank, we are a community partner.”
